Fluent in English, courteous and enthusiastic, I am interested in IT and everything in its orbit. I recently began to be fascinated by web programming. As this area complements my interest, I am keen to gain experience in the field. For this reason, I am looking for a company willing to offer me a placement among their developers. In return, I would offer my full commitment. I am therefore currently looking for a job or an internship as a web developer.

TECHNICAL SKILLS

• HTML	• CSS	• JAVASCRIPT	• NODEJS	• PHP	• EXPRESS
• MYSQL	• MONGODB	• AJAX	• JSON	• GIT/GITHUB	• OOP concepts
